Re. Annual Asbestos Management Plan Notice

This is to inform you of the status of Momence Community Unit School District #1 Asbestos Management Plan. It has been determined by the Illinois Department of Public Health and the Federal Environmental Protection Agency that asbestos is a potential health hazard and precautions should be taken to avoid disturbing any asbestos containing materials.

As required, our buildings were initially inspected for asbestos. The AHERA law requires that a visual surveillance of asbestos containing areas be completed every six months and reinspection conducted every three years. Any evidence of disturbance or change in condition will be documented in the Management Plan as required.

The Inspection/Management Plan is available for public review in the Principal's office.

Any concerns relative to asbestos containing materials should be directed to Mr. Terry Spencer, Maintenance Director, at 400 North Pine Street, Momence, IL 60954 or (815-472-3501).

Sincerely,

Shannon M. Anderson  
Superintendent of Schools
