

## **MCUSD1 - Notice of Disclosure Relative to Online Video Learning Privacy**

MCUSD1 (Momence Community Unit School District 1) is currently employing the ZOOM online content delivery application to achieve virtual classrooms settings for continuing education during the school's mandatory Corona Virus shutdown period.

The ZOOM Ap has the capacity to do functions of both video presentation and video recording. However, each participating individual has the capacity to opt out of appearing on video per the controls provided within the ZOOM Ap.

Please note that a hosting teacher, may record and store the entire lesson as a class teaching tool and post it back to the student's virtual classroom for purposes of study and review. If your child has opted out of the video session, then only the audio portion of your child's class participation will be available on the recorded class. See the accompanying document ZOOM Privacy Disclosure for additional information as provided and disclosed on the ZOOM web Site for any additional concerns regarding your privacy rights when using the ZOOM Ap. Happy Zooming!
