**Why do people need so much TP?** No idea. I think you should research this question and report back to us.

**Does it affect our grades?** You still have to complete your classwork. Your teachers are working hard on making online lessons and paper copies of those lessons. **How/when can I pick up my work?** Packets can be picked up at the junior high from 11-1 on Mondays. Mr. Piper and I will be there if you need to talk to one of us, have

special work, or any questions that we can answer. We also have bins outside of the school with additional copies if you cannot make it at that time. Those can be picked up at any time. There is only limited space so only a few copies can be put in there so try to come to the school on Monday to make sure you do not have to wait to get a copy. Paper copies are supposed to be for people who do not have access to the internet and cannot do online learning. We also have a bin outside to turn in the work that you have completed. If you have any teacher-specific questions, please reach out to them. They are available every school day.

**If we don't go back this year, what happens with graduation?** As of right now, our graduation have been rescheduled for Saturday, June 27th at 2pm. This could change based on the Governor's orders. We will keep you posted.
